

NuRevir Partner Power Kit

The NuRevir Partner Power Kit is the ultimate toolkit for maximizing your success as a NuRevir partner. With a comprehensive suite of powerful tools and resources, including a customizable landing page, predictive dialer, CRM, and more, the Partner Power Kit provides everything you need to streamline your outreach efforts, nurture your relationships with nonprofits, and close more deals. Whether you're just getting started as a NuRevir partner or you're looking to take your business to the next level, the Partner Power Kit is the perfect solution for achieving your goals and maximizing your success.

01 - CRM

This component provides partners with a centralized platform for managing their interactions with nonprofits, tracking their progress through the sales funnel, and monitoring the success of their outreach efforts. The CRM can help partners stay organized and focused, ensuring that they are able to effectively nurture their relationships with nonprofits and close more deals.

02 - Landing Page/Website

This component includes a landing page or website that partners can use to promote and sell NuRevir's services to nonprofits.

03 - Landing Page/Website Autoresponder

This component handles inquiries submitted through the landing page or website, automatically entering the customer into a pre-defined communication flow.

04 - Predictive Dialing

The Power Dialer automatically dials phone numbers for the partner, reducing the time and effort required to make multiple phone calls.

05 - Autoresponse Sequence

The Power Dialer also includes an autoresponse sequence that sends a pre-recorded voice drop to the nonprofit's voicemail if the call is not answered, as well as email and SMS messages to follow up.

06 - Company Email

This component provides partners with a company email address that they can use to communicate with nonprofits and present a professional image.

07 - Digital Business Cards

This component includes digital business cards that partners can use to share their contact information and promote NuRevir's services.

08 - Marketing Material

This component includes marketing materials, such as brochures, flyers, and other promotional materials, that partners can use to promote NuRevir's services to nonprofits.
